1. INTRODUCTION

This Acceptable Use Policy ("AUP") governs your use of the Internet services ("Service") provided by enTouch (the "ISP"), whether you subscribe to the Service or not, and you agree to all the terms set forth herein.

ISP reserves the right to immediately suspend or apply other interim measures in its sole discretion to your Service, or terminate your Service account if you violate the terms of the AUP. ISP also reserves the right to downgrade, suspend, or terminate other services you receive in addition to Internet.

Generally, ISP does not monitor or edit the content posted by users of the Service or other Internet services that may be available on or through the Service (e.g., newsgroups, chat rooms, message boards, etc.). However, ISP and its agents reserve the right at their sole discretion to remove any content that, in ISP's judgment, does not comply with the AUP or is otherwise harmful, objectionable, or inaccurate. ISP is not responsible for any failure or delay in removing such content.

In addition, ISP may cooperate with legal authorities and/or third parties in the investigation of any suspected or alleged crime or civil wrong. Your violation of this AUP may result in the suspension or termination of either your access to the Service and/or your ISP account. At our sole discretion, we may revoke your access for inappropriate usage. Use of any information obtained via the Service is at your own risk. ISP is not responsible for the accuracy, quality, or content of information obtained through the Service. This AUP should be read in conjunction with our Internet Service Agreement and other policies.

ISP reserves the right to revise, amend, or modify this AUP, our Internet Service Agreement and our other policies at any time and in any manner. Any revision, amendment, or modification will be posted in accordance with the terms of the Internet Service Agreement.

By using this Internet service ("Service") or by establishing an account, you agree to be bound by this Agreement and to use the Service in compliance with this Agreement, our Acceptable Use Policies and all other use policies (collectively, the "Terms of Service"). If you do not agree to the Terms of Service, including any future revisions, you may not use the Service, and if you have an account you must terminate it as provided herein. En-Touch Cablevision, your Internet service provider (the "ISP"), reserve the right to revise the Terms of Service and you accept sole responsibility for periodically reviewing them for any and all changes. Your continued use of this Service following the posting of any revisions to the Terms of Service constitutes your acceptance of those revisions.
